To,

P. R. W. Wetherall Esquire
Deputy Commissioner
Hassan District.

Sir,

With reference to your docket No: 82/Agts of 5th/6th February last, and Government Proceedings No: F. 5643-5/B. 13-06-12 of 24-1-07 regarding an advance of Rs: 4000/- or Rs: 50/- per acre for the work of Sundekeré Estate,

I have the honour to inform you that I purposely deferred replying to the same until I had again inspected the Estate, and until after the blossom shower had fallen, and enabled me to realise what the coming crop was likely to yield.

I inspected this Estate very carefully on the 13th & 17th March, and again to see the blossom on 7th instant.

With regard to the Sundekeré Estate and the late Mr. Sreekantiah's petition I wrote at length about this in my letter No: 46 of 13-8-06, and I have no reason for altering my opinion as then expressed, after again inspecting the Estate. I do not think any useful purpose will be effected by making this a "special case," more particularly as it would become

become a precedent for other "special cases".

I would advise therefore working on the lines indicated in my letter above mentioned, and the only moderation that I would make in the existing rules would be to allow, in the case of a bad season, rather more money for upkeep than the proceeds of the coming crop would realize, if these proceeds were expected to be less than the estimate of essential working expenses. Otherwise if expenditure is cut too low in a really bad season, the progress and improvement of previous years is likely to be lost.

I am glad to be able to report that the 1907-08 prospects are good, and I estimate the coming crop at Maunds 750 to 800, value say Rs. 6000/- to 6,400/- and have prepared an Estimate which I append, amounting to Rs. 3600/-.

I have been through this Estimate with Mr. Govindappa, the late Mr. S. Sreekanteiah's man who is in charge of Estate and he approves of it.

If I find the blossom sets well

well, and that there is every prospects of Rs: 800/-, I should like to increase the amount allowed for manure from Rs: 500/- to 1,000/-.

Some 400/- of the amount estimated should be allowed during the months of May and June to enable the owner to apply the manure he has in the stock purchase mora, and commence his pruning & Kubbaking.

I have &c.
